

# **Association of Natural Resource Extension Professionals (ANREP)**

## **'State Champion'**

### **An ardent supporter of ANREP membership**

#### **Job Description**

##### **Need**

The purpose of ANREP champions is to have a person in each state who can serve as an ANREP member charged with representing ANREP and building and maintaining membership in that state.

##### **Duties**

- Understand the goals and mission of ANREP.
- Understand ANREP bylaws related to membership (Article III, section1).
- Identify and recruit Extension personnel who are potential ANREP members. Provide names and addresses of potential ANREP members to membership committee, so they can be included in ANREP mailings.
- Promote ANREP at Extension meetings and conferences.
- Serve as a state contact for extension workers and administrators who have questions or comments about the purposes and benefits of ANREP.
- Communicate informally with other extension organizations about ANREP and its desired relationship with those organizations.
- Assess obstacles and opportunities related to ANREP membership maintenance and recruitment within the state and communicate those to the ANREP membership committee.
- Serve on the state/regional JCEP committee or make arrangements with other ANREP members in the state to do so
- Develop a mailing list of potential ANREP members within the state to forward to membership committee
- Interact with Membership Committee Chair(s) and members. Regional ANREP representative, and other ANREP members in state and region.

##### **Qualifications**

- Member in good standing of the ANREP.
- An interest in helping to build and maintain active membership of ANREP.
- An interest in building positive relationships between ANREP and other Extension professional associations and Extension administrators.

##### **Benefits**

- Increased membership and clout of ANREP.
- Higher ANREP member satisfaction.
- National Recognition recruiting ANREP members.

##### **Estimated time**

- Two-year term, renewable by ANREP executive committee.
- One hour orientation at Extension natural resources conference or one-on-one with ANREP membership Committee members or regional ANREP chair.
- 1-3 days annually recruiting ANREP members from your state.
