

## **2003 Natural Resource Extension Educational Materials Awards Announced**

ANREP is honoring 25 educational materials produced under the leadership of our members. At least three judges evaluated each material against specific criteria that emphasized usefulness to a target audience, innovativeness, and potential educational impact. Judging was done by ANREP members from Florida, Montana, New Jersey, New York, and Vermont with Bruce Wilkins, MD coordinating the judging. Award categories are Gold (1<sup>st</sup> Place), Silver (2<sup>nd</sup> Place), and Bronze (3<sup>rd</sup> Place).
