To: ANREP Membership
From: ANREP Executive Secretary
Re: ANREP Election Results

The results of the 2004 ANREP elections have been tallied and are as follows:

President:	Janean Creighton, Washington State University
Treasurer:	Deborah Hill, University of Kentucky
Western Representative:	Jim Reeb, Oregon State University
Southern Representative:	Marella Crane, University of Florida

A total of 110 ANREP members voted in this election, out of almost 400 of the existing membership. The votes were tallied separately by 3 current ANREP members for verification of results, as is specified in the by-laws. The office of the Secretary will hold the ballots.

The President shall serve one term as President-elect followed by one-term as President. The Treasurer, Western and Southern Representatives shall hold these offices for a term of 2 years. The Secretary, Northcentral and Northeast positions will be coming up for elections in 2004.

Thanks to all who participated in this election.
